Carter is responsible for the landscape design division and is involved primarily with negotiated work and project management. Joining the company in 1975 after graduating from VPI&SU (Virginia Tech) with a Bachelor of Science degree in Horticulture, he focused his attention on new home construction, office, and apartment/condominium development landscaping. He is also involved in the management of other commercial and residential projects with the company. Currently Carter is the liaison for eVA contracts associated with Old Dominion University and Tidewater Community College. Carter has been at Winn Nursery of Virginia, Inc., for 42 years.

He is past president of the Virginia Nursery and Landscape Association and the Kiwanis Club of Suburban Norfolk. The company has received numerous awards for Home-A-Rama and Tidewater Builders Association best model landscaping as a result of his designs and implementation by our experienced landscape crews.
