Jimmy is responsible for both military and civilian projects. He holds a certified pesticide applicators license and is responsible as well for the supervision of the company’s certified pesticide technicians.

He started work in the nursery’s greenhouses at the age of 14, moved on to nursery production, installation, design, and eventually project manager. He graduated from Virginia Episcopal School and North Carolina State University with a degree in agricultural science.

He has worked on many projects during his 25 years with the company, including the Williamsburg, Jamestown, and Yorktown visitor center expansions, VDOT road improvement projects, government bases and installations, area malls and shopping centers, Busch Gardens Williamsburg, and Atlantic Shores Retirement community. He has also managed landscape jobs at schools, churches, and private residences.
