RE: Greenbrier Project

Dear Carter:

I want to express my satisfaction to you for the fine job you did on landscaping our branch.

I think the site is a credit to the area and we here at Central Fidelity are proud of it. As usual, it was a pleasure to work with you and your company. I would like to give special thanks to Rick Gardner whose commitment to the project and obvious pride in his work certainly was a major reason for the excellent finished product.

Sincerely,

A handwritten signature in cursive script that reads "Danny Bryant".
